

## Eggshell Felt (Paper liner)

**Spec# B8849**

### Description

A 70# uncoated paper with a felt finish and wet-strength additive for increased resistance to wrinkling and shriveling in moist environments. It provides a premium print surface for wine, high-end beverages and gourmet food labels.

### Basis Weight

70# per ream  $\pm 10\%$   
(500 sheets 25"  $\times$  38")

### Liner

44#PK is a poly-coated natural kraft paper liner designed for roll-to-roll and high-speed automatic label dispensing applications.

### Adhesive

Fasson® Z2010B uses a heavy coat weight of the versatile Z2010 permanent acrylic adhesive. It provides excellent initial tack and adhesion to glass, corrugated cardboard and plastics and is designed for reliable performance in cold and wet applications. The adhesive is APEO-Free.

### Performance Data

Min. Application Temperature:  $+0^{\circ}\text{F}$   
Service Temperature Range:  $-30^{\circ}\text{F}$  to  $+300^{\circ}\text{F}$   
(subject to facestock limitations)

### Adhesive Performance

Suitable for premium packaging requiring reliable adhesion in cold and wet environments, including ice bucket and cold box applications.

### FDA Compliance

Fasson® Z2010 complies with FDA 21 CFR 175.105 for indirect food contact.

### Applications and Use

Ideal for premium wine, beverage and gourmet food labels where an uncoated felt appearance and resistance to moisture are required.

### Optimal Storage Conditions

Ideally store at  $72^{\circ}\text{F}$  and 50% RH.
