

Off White Estate #8 (Paper liner)

Spec# B5579

Description

A bright white paper facestock with a vellum finish and wet-strength additive for increased resistance to tearing and shriveling in moist environments.

Basis Weight

60# per ream $\pm 10\%$
(500 sheets 25" x 38")

Liner

Fasson® 44#PK is a poly-coated natural kraft paper liner designed for roll-to-roll and high-speed automatic label dispensing applications.

Adhesive

Fasson® Z2010 is a versatile permanent acrylic adhesive with excellent initial tack and adhesion to glass, corrugated cardboard and plastics. It is designed for reliable performance in cold and wet applications and is APEO-Free.

Performance Data

Min. Application Temperature: +0°F
Service Temperature Range: -30°F to +300°F
(subject to facestock limitations)

Adhesive Performance

Suitable for premium packaging requiring reliable adhesion in cold and wet environments, including ice bucket and cold box applications.

FDA Compliance

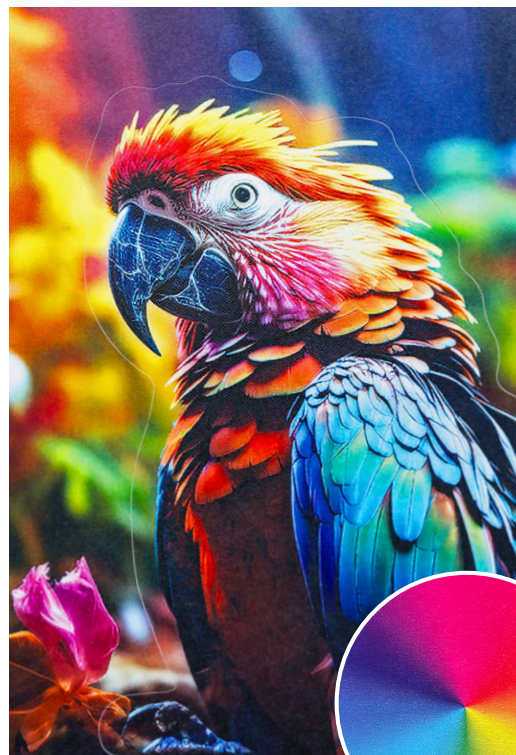

Fasson® Z2010 complies with FDA 21 CFR 175.105 for indirect food contact.

Applications and Use

Suitable for premium label applications where a refined vellum paper appearance and resistance to moisture are required.

Optimal Storage Conditions

Ideally store at 72°F and 50% RH.
